

CRIMINAL BACKGROUND CHECKS

Instructions

Criminal Background Check Notification: Pursuant to Neb. Rev. Stat. §38-131 (provided below), an applicant for an initial license to practice a profession which is authorized to prescribe controlled substances shall be subject to a criminal background check. Applicants are able to receive any national criminal history record that may pertain to them directly from the FBI, pursuant to 28 CFR Sections 16.30-16.34, and may then freely disclose any such information to whomever they choose. Applicants must authorize the dissemination of any national criminal history record that may pertain to them to the Department of Health and Human Services (DHHS) when applying for licensure. Applicants are entitled to challenge the accuracy and completeness of any information contained in any such report and will be provided a copy of the criminal history background report, if any, received if they appear at the DHHS in person and present proper identification. Information on how to challenge an applicant's federal report can be found at FBI.gov. To challenge an applicant's Nebraska state record, contact the Nebraska State Patrol-Criminal Identification Division. Applicants may obtain a prompt determination as to the validity of their challenge before the DHHS makes a final decision about their application for licensure.

FINGERPRINTING PROCEDURE – Please read and follow these instructions carefully to avoid delays in processing.

Fingerprints must be obtained and submitted to the Department with your application for licensure. The Department is required to verify to the Nebraska State Patrol that you have made application for licensure in Nebraska prior to the Nebraska State Patrol processing your request for a criminal background check. The applicant must send the fee for the Criminal Background Check (\$28.75) separately, directly to the Nebraska State Patrol as explained below.

Criminal background checks are NOT expedited for any reason.

1. If you received a printed application from the Licensure Unit, two fingerprint cards were enclosed. Take the fingerprint cards (2) to any State Patrol office or law enforcement agency. Contact information for the Nebraska State Patrol offices is included with these instructions. You must call ahead to schedule an appointment at the Nebraska State Patrol offices that have indicated appointments are required. Please note that some offices have limited hours when fingerprinting will be conducted.
2. If you obtained your application online, fingerprint cards can be obtained by contacting the Licensure Unit. Fingerprint cards may also be available at any State Patrol office or law enforcement agency. The fingerprint cards are the standard FBI Applicant format, form number FD 258, and are blue and white cards.
3. **DO NOT FOLD THE FINGERPRINT CARDS.**
4. Live Scan fingerprinting refers to both the technique and the technology used by law enforcement agencies and private facilities to capture fingerprints electronically, without the need for the more traditional method of ink and paper. Live Scan is available at all Nebraska State Patrol locations. If Live Scan is used to capture your fingerprints, the Nebraska State Patrol will print one card to be submitted to the Department with your application. Although other states may have Live Scan available, it is common that other states will not capture fingerprints using Live Scan for persons who are being fingerprinted for purposes outside of that state. Applicants outside of Nebraska may have traditional ink and paper fingerprints done where they are located, or they may travel to a Nebraska State Patrol location to use Live Scan.
5. The Nebraska State Patrol does not charge for the service of taking your fingerprints. However, other law enforcement agencies in Nebraska or in other states may charge a fee.
6. You must take one form of photo ID with you when obtaining your fingerprints. Acceptable forms of ID include a driver's license, visa or passport. If you are from a foreign country and do not have one of these forms of photo identification, provide any documentation issued by your country, legal sovereign or consulate.

7. Please print your full name, address with zip code, *Social Security Number, date and place of birth, and physical identifiers on the fingerprint cards. **DO NOT sign the fingerprint cards until** the law enforcement officer has verified your signature with the form of identification that you provide. **DO NOT write in the field labeled ORI.** In the space on the fingerprint cards marked "Reason Fingerprinted", you should print the following: "R & L Health Credentialing".

**Social Security Number: If you do not have a United States Social Security Number, you must provide in the "Miscellaneous No: MNU" section a Government issued identification number, a "consulate" number or a Passport Number. Please indicate the type of number provided.*

8. After the fingerprinting procedure is completed, the cards should **NOT** be given to you.

- If you obtained the cards from the Licensure Unit, request the person who took your fingerprints to place the cards in the envelope provided by the Licensure Unit along with your completed application for licensure, and mail the envelope to the Department.
- If you obtained the cards from a State Patrol office or other law enforcement agency, request the person who took your fingerprints to place the cards in an envelope provided by you (**DO NOT FOLD THE FINGERPRINT CARDS**) along with your completed application for licensure, and mail the envelope addressed to: **Nebraska DHHS, Division of Public Health, Licensure Unit, 301 Centennial Mall South, P.O. Box 94986, Lincoln, NE 68509-4986**

The fee for Criminal Background Check is to be sent separately, directly to the Nebraska State Patrol. The \$28.75 fee, made payable to the Nebraska State Patrol, can be paid by a personal check, money order, cashier's check and now available credit card. **When sending payment, it is important to include a note that clearly identifies the name of the person for whom the criminal background check is requested, and the type of license for which the person is applying.**

Payment must be mailed directly to: **Nebraska State Patrol, ATTN: CID, 3800 NW 12th ST, STE A, Lincoln NE 68521.**

New payment method available at www.ne.gov/go/nsp. This is an internet pay site through PayPort. You can pay by echeck (additional fee of \$1.75) or credit card (additional fee of \$.90). The website will ask you to select the type of payment you are making. You need to choose "Controlled Substance License". You will then need to put in the applicant's name, date of birth and the last 4 digits of social security number (optional). If a company is paying for an applicant – the applicant's information needs to be submitted on this page. The second page of the website will ask for information about the payer, which may or may not be the applicant.

9. ****This process takes several weeks for the results of your criminal background check to be received by the Department.****
No licensing decision will be made until all information is received.
